OK. I just wasn't sure who needed to be in the loop.

Bill,

You don't have to send these messages to everyone. Just send them to me. Thanks!

Bonnie, I just spoke to Gail Port, outside counsel for Church & Dwight (a/k/a Arm & Hammer), 212-969-3243, who says in-house counsel had been in touch with you and had received drum photos, but she's asking if there's any other nexus documentation we can share, and she's also asking for an extension to mid-March. I suggested that, for this limited purpose, she should call you as you would know better than I of any additional information and you are handling the extensions. Thanks. -Bill

Bonnie, today I received calls from the following people, who I suggested should call you:

1. Karma Brown, 202-955-1893, representing Republic Services (wants nexus information and extension).
2. Kristen Gale, 217-390-0309, representing K&S Co. (she left a message asking for nexus info and extension); I returned her call and left a message to call you.
